**Parties of Record:**

**Bruce V. Miller, Esq.**, Cullen and Dykman LLP, on behalf of New Jersey-American Water Company, Inc.  
**Brian O. Lipman, Esq.**, Director, New Jersey Division of Rate Counsel

**BY THE BOARD:**

On January 18, 2022, pursuant to N.J.S.A. 48:2-21 and N.J.A.C. 14:1-5.12, New Jersey-American Water Company (“Company” or “Petitioner”), a public utility of the State of New Jersey subject to the jurisdiction of the New Jersey Board of Public Utilities (“Board”), filed a petition to increase its base tariff rates and charges for water and wastewater service amounting to approximately \$94.7 million or 11.22% in additional annual revenues. The Company proposed that the increase in rates becomes effective on February 13, 2022.<sup>1</sup>

The Company provides water service to approximately 660,000 customers and provides wastewater service to approximately 49,900 customers in portions of the following counties: Atlantic, Bergen, Burlington, Camden, Cape May, Essex, Gloucester, Hunterdon, Mercer, Middlesex, Monmouth, Morris, Ocean, Passaic, Salem, Somerset, Union, and Warren.

According to the petition, the primary driver of the proposed rate increase is the capital investment needed to maintain and improve the Company’s infrastructure to continue providing safe, reliable and adequate service to its customers.

---

<sup>1</sup> By letter dated January 19, 2022, the Company indicated that it would not implement rates on an interim basis prior to the effective date of the Board’s initial suspension order in this matter. However, the Company noted that it did not waive its right to implement the proposed rates at the conclusion of the second suspension period on October 13, 2022, should the Board not issue a final Decision and Order by that date.

It appearing that the proposed revisions will increase existing rates and change or alter existing classifications in Petitioner's tariff, it is **HEREBY ORDERED** that:

- (1) Pursuant to N.J.S.A. 48:2-21, the proposed revisions are suspended until June 13, 2022, unless prior to that date, the Board makes a determination disposing of the petition;
- (2) Petitioner shall, at least 10 days prior to the date set for hearing on the petition by the Office of Administrative Law, file with this Board and with the Office of Administrative Law, proof of compliance with the notice provisions of N.J.S.A. 48:2-32.2 and N.J.A.C. 14:1-5.12(b) and (c), the notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and
- (3) Petitioner shall serve copies of this Order upon the Office of Administrative Law, the New Jersey Division of Rate Counsel (140 East Front Street, 4<sup>th</sup> Floor, Post Office Box 003, Trenton, NJ 08625-0003), the clerk of the affected municipalities, the clerk of the Board of County Commissioners of the affected county, and, where appropriate, the executive officer of the affected county within its service area. Service of this petition, notice of hearings, and this Order may be made simultaneously. Proof of service of this Order shall be filed with the Board within 15 days of the date of this Order.

This Order shall be effective on February 23, 2022.
