

IMPROPER DISPOSAL OF WASTE

Section 4. There is hereby created a new section 3-23 entitled "Improper Disposal of Waste" which reads as follows:

"3-23. IMPROPER DISPOSAL OF WASTE

3-23.1 Purpose. An ordinance to prohibit the spilling, dumping or disposal of materials other than stormwater to the municipal separate storm sewer system (MS4) operated by the Borough of Bernardsville, so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

3-23.2 Definitions. For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number and words used in the singular number include the plural number. The word 'shall' is always mandatory and not merely directory.

- a. Municipal separate storm sewer system (MS4) - a conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, manmade channels or storm drains) that is owned or operated by the Borough of Bernardsville or other public body, and is designed and used for collecting and conveying stormwater.
- b. Person - any individual, corporation, company, partnership, firm, association or political subdivision of this State subject to municipal jurisdiction.
- c. Stormwater - water resulting from precipitation (including rain and snow) that runs off the land's surface, is transmitted to the subsurface, is captured by separate storm sewers or other sewerage or drainage facilities, or is conveyed by snow removal equipment.

3-23.3 Prohibited Conduct. The spilling, dumping or disposal of materials other than stormwater to the municipal separate storm sewer system operated by the Borough of Bernardsville is prohibited. The spilling, dumping or disposal of materials other than stormwater in such a manner as to cause the discharge of pollutants to the municipal separate storm sewer system is also prohibited.

3-23.4 Exceptions to Prohibition.

- a. Water line flushing and discharges from potable water sources.
- b. Uncontaminated ground water (e.g., infiltration, crawl space or basement sump pumps, foundation or footing drains, rising ground waters).
- c. Air conditioning condensate (excluding contact and non-contact cooling water).
- d. Irrigation water (including landscape and lawn watering runoff).
- e. Flows from springs, riparian habitats and wetlands, water reservoir discharges and diverted stream flows.
- f. Residential car washing water and residential swimming pool discharges.
- g. Sidewalk, driveway and street wash water.
- h. Flows from fire fighting activities.
- I. Flows from rinsing of the following equipment with clean water:
 - Beach maintenance equipment immediately following their use for their intended purposes; and
 - Equipment used in the application of salt and de-icing materials immediately following sale and de-icing material applications. Prior to rinsing with clean water, all residual salt and de-icing materials must be removed from equipment and vehicles to the maximum extent practicable using dry cleaning methods (e.g., shoveling and sweeping). Recovered materials are to be returned to storage for reuse or property discarded.
 - Rinsing of equipment, as noted in the above situation is limited to exterior, undercarriage and exposed parts and does not apply to engines or other enclosed machinery.

3-23.5 Enforcement. This ordinance shall be enforced by the Police Department or the Code Enforcement Officer of the Borough of Bernardsville.

3-23.6 Penalties. Any person who violates any provision of this section shall be liable, upon conviction, to the penalties stated in Chapter I, section 1-5.
