Re: Replacement of County Bridge No. G1409  
Washington Corner Road over Indian Grove Brook  
Borough of Bernardsville, Somerset County, NJ  
**Construction Notification Letter**

Dear Resident,

You may have recently noticed the “on or about” advanced notification signs posted on Washington Corner Road and Variable Message Board Signs on Mendham Road informing the public of an upcoming construction project with a road closure and detour scheduled to begin on Tuesday, September 6<sup>th</sup>. This Somerset County project will involve the replacement of the existing bridge at the intersection of Washington Corner and Hardscrabble Roads with adjacent roadway reconstruction and safety improvements. The posted detour route will utilize Mendham Road, Lloyd Road, and Hardscrabble Road. Access to all driveways, dwellings, and mailboxes within the project limits will be maintained at all times during construction. It is anticipated that the project will be substantially completed with the road reopened by mid-December 2022. Additional project/detour information and construction updates will be provided in the near future on the County’s website address [www.co.somerset.nj.us](http://www.co.somerset.nj.us) via the *Road Projects & Construction Announcements* link.

Please feel free to contact me at any time before or during construction in case you have any questions, comments, or concerns.

Sincerely,

**Paolo Bonite**

Paolo Bonite, EIT  
Engineer I - Bridges  
(908) 231-7024
